13th February 2024

I am delighted to let you know that the 2024 OEGS fixtures / events programme has now been posted in the Fixtures section on the [OEGS website](#). In addition to our many regular annual events, we will, once again be holding the Richard Day Singles Knockout competition, which is open to all our members, with the Finals being held on 26 October at [Rye GC](#). Make sure you register your entry online for this year's competition by 31 March.

To apply to play in any of our events, simply log onto the [OEGS website](#) with your username and password, click on the drop-down menu under the Fixtures heading and select the various events you would like to play in. You can also view all of our 2024 events in pdf format.

In the meantime, we are currently exploring the addition of one or two other event ideas and will let you know further details in due course.

Finally, thank you to all those who have already paid their 2024 annual membership subscription. If you don't have an annual bank standing order and have yet to pay your subscription, further details can be found under [Annual Membership Process](#) in the Members heading on the OEGS website.

Meanwhile, I hope you enjoy playing in a few of our events and look forward to hopefully seeing you sometime during 2024.

Best wishes
